

Diabetes Care and Prevention Program  
Karen I. Fryberg Tulalip Health Clinic

# Diabetes Day 2018

## Thursday, October 25th

9:00am to 3:00pm

Karen I. Fryberg Tulalip Health Clinic

### *Drawing Strength from Our Cultural Ways*

This day is set apart for the purpose of helping our patients with diabetes receive their medical care all in one day. This is also a great opportunity to have a diabetes screening test and learn how to prevent diabetes from occurring in your life or the life of your loved ones.

**"IT IS GOOD MEDICINE  
TO TAKE CARE OF MYSELF  
AND MY DIABETES"**

**Enjoy a special opportunity to make a winter self-care kit.**  
*Light breakfast and lunch will be served.*

**To find out more information please contact:**

**Veronica "Roni" Leahy** at 360-716-5642 or **Brooke Morrison** at 360-716-5641.
