

COMING SOON NEW EYE CARE CLINIC

We're thrilled to announce that the Tulalip Health System will offer complete in-house optometry services starting in March!

We're investing nearly half a million dollars to provide you with the best possible care.

You'll be in good hands with Dr. Spillane and her team, who have provided care at the clinic for the past eight years.

We can't wait to provide you with eye care!

OUR SERVICES:

- ✓ Prescription Glasses and Contact Lenses
- ✓ Comprehensive Eye Examinations
- ✓ Chronic Disease Management
- ✓ Pre and Post-Operative Surgical Care
